

The Keystone Avalanche Club is a Pennsylvania based club and was founded in July of 2006. Our club is the fastest growing local Avalanche Chapter in the United States.

Our club has a web site and interactive forum that will keep you informed of all of our upcoming events and activities.

In the forum you can discuss any questions or problems you are having with your Avalanche and get quick and honest answers from other Chevrolet Avalanche owners.

Once or twice a month we hold **Get-Together's (GTGs)** where we get together for lunch, hang out at a park, go for a cruise or work together to mod our trucks. These events are usually free and you're not required to signup. If you see an event that you would like to attend, just show up and join us!

Speaking of free, THERE IS NO COST to join the club, there are NO REGULAR DUES to pay and most of our GTGs are FREE FOR YOU to participate in at no cost!

In our forum you will find:

Greetings – Introduce yourself and welcome new members to the club. If it's your birthday you can also expect to get a happy birthday in here!

Keystone Lounge – General discussions about the club or anything else that's on your mind.

Sports Bar – Are you an Eagles fan? Are the Steelers your favorite team? Maybe you enjoy 9 innings with the Phillies? Or are you a fan of the Flyers? Everything sports related will be discussed in here.

Problems and Service – Whether your service engine light is on or if you've got a flat tire you can get help and advice from other Avalanche owners in here.

Modifications – If you are researching lift kits or want to install one yourself. This forum is the place for lift kits and all other modifications to your truck.

Swap Shop – Buy, sell and trade Avalanche parts, accessories or anything else.

Pennsylvania GTG's – This is your place to find out about and discuss all of our GTG's. Find out who is coming and everything that's going on in your area.

Our Get-Together's:

REGION 1 JAMBOREE

Our club hosts the Region 1 Jamboree events all across the north-east. These events feature several days of activities and is attended by members from several states. It's not unusual to have 40 AV's or more attend.

For all of the latest information on upcoming Region 1 Jamboree's please visit:

www.region1jamboree.com

Throughout the year we also hold smaller events all across Pennsylvania, Maryland and surrounding areas. Sometimes they involve an activity, sometimes they involve grabbing dinner somewhere. We have also been known to have off-roading and modding GTG's. To find out about upcoming GTG's in your area please visit:

www.keystoneavalancheclub.com

www.keystoneavalancheclub.com

How to spot a club member:

You can spot a club member in one of two ways. First, look for Amber Daytime Running Lights also known as Amber DRL's. Most of our members will swap out the clear DRL's with Amber ones.

If you would like to add Amber DRL's to your Avalanche, head over to any auto parts store and pickup a set of 3157/4157 NALL amber bulbs. If you need help adding them, look in our forums or bring them to any of our GTG's and we'll be happy to help you!

Second, check the rear window for a Keystone Avalanche Club decal. The decals will typically be on the right side of the rear window. Decals are available at the club store online for \$5 including shipping. You can also purchase a decal at most of our GTG's, just see one of our staff.

Dealerships are getting involved too!

Brown-Daub Chevrolet of Nazareth, PA has joined with our club to provide Chevrolet Avalanche owners with an exceptional Avalanche ownership experience. If you are looking to buy an Avalanche or get your Avalanche serviced, we highly recommend that you check them out!
